

## **EXETER 10K – 8<sup>th</sup> January 2012**

For most, this is the first race of year.

Completely flat, 2 looper course along the Otter Trail.

Chilly and overcast conditions this year. A good race for a PB to set you up for the year's running and blow away the cobwebs. Well organised event.

Goody bag: Zip up trainer bag, water and chocolate.

Tracy McFadden
