

PLYMOUTH HOE – 19TH February 2012

Dry and sunny day. Undulating course from Brickfields Training Ground around The Hoe and back to Brickfields finishing with 1.5 laps of the running track.

Fortunately, this year there was no 'spiral staircase' and everyone went the right way! Thanks marshalls 😊

Well attended and organised run but toilet facilities not very good at all.

Goody bag: Medal, water and banana.
